

Devops Culture

Why Should You Care?

You Better Freaking Care?

It's
about your
business
stupid

**"We will encourage you
to develop the three
great virtues of a
programmer: laziness,
impatience, and hubris."
- LarryWall**

Go away or I
will replace you
with a very small
shell script.

Don't Ask.

I'll call you when it's fixed.

obey me
for I am
<root>

Laziness

Impatience

Hubris

So
What's
Your
Culture
Dog
